returns

If you are dissatisfied with any product purchased through our site for any reason, you may return the item(s) within 60 days for an exchange or refund. We offer a 100% color match guarantee. If you ordered the incorrect color, please let us know and we will be happy to replace it with a more appropriate choice.

Please be advised that prior authorization is required on all returns. For authorization to process a return, please call 877-876-5432 for domestic orders, or 432-432-2222 for international orders. If you would prefer to email us, please do so at PersonalShoppers@beautyproducts.com.

Unfortunately any returns sent to us without return authorization cannot be accepted. Return acceptance is at the sole discretion of Beauty Products. Shipping fees are only refundable when the original items were either shipped incorrectly by beauty products or damaged. All other shipping fees are nonrefundable.

We ask you to please return your items via FedEx using the preprinted FedEx label on the reverse side. Should your return be lost or damaged in transit, you can file a claim. Beauty Products cannot be held responsible for returns lost in transit.

Please note that all returns must be sent to Beauty Products and not your local Beauty Products retailer. Any items returned to your local retailer cannot be accepted.

Please allow up to two weeks for the return to be processed, at which time a credit or exchange will be made depending on your request. Please allow one to two billing cycles for the refund to show on your account. If you wish to inquire about your return, please call a Beauty Products at 877-876-5432.
